

Do 10 Good Deeds at Once!

Many doctors agree, death is one of the most difficult aspects of being a veterinarian. Now, the GVMA has made this tough task a little bit easier. Pet Memorial Cards are a quick and easy means of showing your clients you care. Plus, with each card sent, a contribution* is made to the **GVMA Foundation** in support of its many projects.

- Buy the cards and support your foundation at the same time
- Honor your patient's memory
- Show your clients you care
- Everyone wins!

2 options available

These pre-packaged memorial cards are imprinted with a message stating a contribution has been made to the foundation. You will only need to sign and address the card to the designated client. An accompanying brochure will tell the recipient about **The GVMA Foundation**.

A pack of 10 cards for \$100 can honor 10 deceased pets.

**All monetary submissions should be treated as a business expense and not a 501 C-3 donation.*
