

Do you know an animal that deserves a moment in the spotlight? Nominate it now.

The Georgia Veterinary Medical Association has begun a new program to raise awareness of the animals that enrich our lives. If you know an animal that has performed an act, or possesses a personality, worthy of praise let us know. The GVMA Spotlight will shine on animals year round, with recognition on the GVMA website and in GVMA publications.

All Spotlight animals are automatically nominated for Animal of the Year in their category in the Georgia Animal Hall of Fame.
